## Small town. Big school.

UC Davis is ranked 16th among public universities nationwide by the National Research Council, is listed 13th among public universities nationwide by U.S. News & World Report; and is 12th in research funding among all U.S. ranked public universities by the National Science Foundation. The campus is a member of the prestigious Association of American Universities, one of just 62 institutions of higher learning to be admitted to this distinguished group.

Founded in 1908 as the University Farm amid the fertile fields of the state's Central Valley, UC Davis today encompasses the colleges of Letters and Science, Engineering, Biological Sciences, and Agricultural and Environmental Sciences; and professional schools in Law, Management, Medicine, Veterinary Medicine, and Education. It also operates the UC Davis Medical Center in Sacramento, one of the leading teaching and research hospitals in the nation. The campus announced this August a \$100 million in founding support from the Gordon and Betty Moore Foundation to launch the Betty Irene Moore School of Nursing.

This is a period of growth and change for UC Davis. The campus has seen growth in student, faculty and staff populations and is in the midst of more than \$1 billion in new construction. New facilities do or will include new laboratories, new classrooms and new student sports and recreation facilities. Thanks to the generosity of one of the world's most renowned winemakers, groundbreaking took place in 2005 on the

Robert Mondavi Institute for Wine and Food Science. The Robert and Margrit Mondavi Center for the Performing Arts opened in 2002 and is a showcase part of the campus.

UC Davis has enjoyed a distinguished history in athletics as it begins a new era in NCAA Division I during the 2007-08 academic year. The Aggies are official members in most sports in the Big West Conference which includes fellow UC campuses Irvine, Riverside and Santa Barbara. The transition to Division I brought to an end a successful Division II era in which UC Davis captured six Directors' Cups in eight years, awarded annually to the most successful athletics program in the country. UC Davis also twice received recognition from Sports Illustrated for Women as the top Div. II school for women while Sports Illustrated has also previously honored the institution. In addition to 26 intercollegiate sports (14 for women and 12 for men), the campus offers nearly 40 student-organized club sports. And each year, more than 19,000 students participate in intramural sports.

All students can enjoy abundant on- and off-campus recreational facilities for tennis, softball, basketball, volleyball and golf. Given the area's Mediterranean climate, outdoor recreation continues year round. The program is also among the nation's leaders in NCAA Postgraduate Scholarship recipients and has had three winners of the prestigious NCAA Woman of the Year Award, more than any other school in the country.

## REX PETERS

Head Coach  
6th Year  
Cal State Fullerton '89

Few coaches have enjoyed a more auspicious start to a career than Rex Peters in his first three years at UC Davis. In 2003, he guided the Aggies to a 36-24 season and their first NCAA Div. II postseason berth since 1995. UC Davis

swept through the West Region tournament – highlighted by back-to-back shutout victories – and advanced to the national tournament for only the second time in school history. For his part, Peters was honored as the ABCA/Diamond Sports West Region Coach of the Year.

Then the following year – as if in defiance to baseball's notorious sophomore jinx – Peters struck again. The Aggies finished with a 37-15-1 record, including a 32-7 ledger in the program's final year with the California Collegiate Athletic Association. Although no longer eligible for postseason play as part of its transition to Division I status, UC Davis finished atop the conference standings by better than a seven-game margin. Along the way, the Aggies enjoyed school-record streaks of 16 straight victories and 20 consecutive conference wins.

In 2005, Peters guided the program through its first predominantly Division I schedule. The Aggies posted sweeps against UC Santa Barbara, Utah Valley State and Cal State Northridge, then capped the season with an 8-7 win over Cal in the home finale.

Peters arrived at the UC Davis program after spending the previous nine seasons as head coach at Chapman University in Southern California, where he compiled a 248-131-2 overall record. He led the Panthers to three appearances in the NCAA Division III College World Series, including a third-place finish in 2000. Peters, the winningest coach in Chapman history – both in terms of wins and percentage – led the Panthers to the NCAA West Regional five times and three times was named West Region Coach of the Year. Additionally, he coached six All-Americans, two Academic All-Americans, nine Academic All-District players and 29 All-Region selections.

Combining his Chapman credits with his 142-134-1 mark at UC Davis, Peters now owns a career win-loss record of 390-265-3 (.595).

Prior to his head coaching duties, Peters served one season as the Panthers' assistant coach under Gary Henderson. Peters had spent the previous four years playing in the Los Angeles Dodgers organization after being drafted by the club in the 24th round of the 1989 Major League Baseball Amateur Draft. While in the Dodgers system, Peters advanced as high as Double-A San Antonio before beginning his coaching career. In 1989, his first season in professional baseball, he was named the MVP for the Salem Dodgers.

Peters graduated from Cal State Fullerton in 1989 with his bachelor's in physical education. He was an honorable mention All-American for the Titans, helping lead them to a third-place finish at the 1988 NCAA Division I College World Series. He earned his master's degree in education, with an emphasis in physical education, from Azusa Pacific University in 1994.

## COACHING STAFF

### MATT VAUGHN

Associate Head Coach  
16th Year  
UC Davis '92

The veteran of the Aggie baseball staff, Matt Vaughn enters his 16th season with the program, now as associate head coach. He has been an integral part of the Aggies success in that time, including two trips to the Division II College World Series (1995 and 2003). During his career, Vaughn's duties have included development of the Aggie pitching staff, recruiting and the numerous day-to-day duties of running a collegiate baseball program.

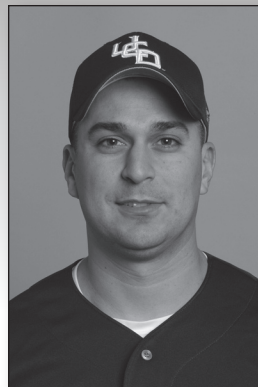

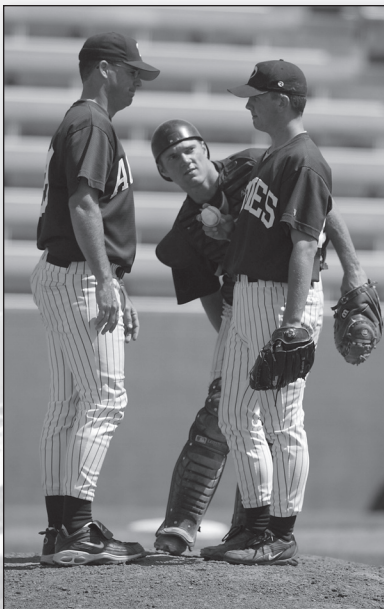

In his UC Davis tenure, Vaughn has coached 22 players who have gone on to sign professional contracts, including 11 pitchers. Nine of his players have earned a total of 11 All-America honors and three have been named West Region Pitchers of the Year. In 2004, one of his protégés – Michael Potter – captured California Collegiate Athletic Association Pitcher of the Year honors. In Vaughn's tenure as pitching coach, five of his pitchers have been selected as conference pitcher of the year.

In 1997, in a national setting, Vaughn was one of six coaches named to the USA Baseball support staff for its 1997 National Team Trials in Tampa, Fla., where he assisted in player evaluation and development. Internationally, Vaughn spent two summers working for Major League Baseball International in Europe.

In the summer of 1992, he served as a baseball envoy to Czechoslovakia and Poland. Then in 1994, he was the pitching coach for the Great Britain National Team as they played in the European "B" Pool Championships.

Vaughn pitched for the Aggies from 1989-92, winning nine games while starting 26 and relieving in 11 others. He was an honorable mention All-NCAC selection his senior year and won his last four decisions as an Aggie, including his final three starts.

Vaughn graduated from UC Davis in 1992 with a degree in biological sciences. He received his master's degree in management from National University in 1999. He and his wife, Dana, were married on New Year's Eve, 1998. They have a son, Jackson, and a daughter, Casey.

### TONY SCHIFANO

Assistant Coach  
1st Year  
UC Davis '97

Former Aggie great Tony Schifano returns to his alma mater following a 10-year professional baseball career and a recent stint as an assistant coach at Los Gatos High School. Schifano's primary duties will include coaching the infielders and serving as the third base coach during games. He will also assist with baserunning, hitting and recruiting.

During his time at Los Gatos, the team accumulated 90 wins over four seasons and won a Central Coast Section title in 2006.

Schifano enjoyed a stellar collegiate career with the Aggies from 1994-97. During that time he was a three-time All-Northern California Athletic Conference First Team selection. He was a member of the 1995 team that won a regional championship and advanced to the NCAA Division II College World Series under legendary Aggie coach Phil Swimley. He was also a member of the 1994 squad that won the final NCAC championship for UC Davis.

Schifano signed as an undrafted free agent with the Florida Marlins in 1997 and worked his way through the minor league system until making it to the Triple-A level with the Houston Astros in 2001. He also played professionally with the independent Central League and Northern League. In 2000, Schifano was a member of Team USA at the Panama Cup.

When he graduated in 1997, Schifano held the career record for hits (214), and was second in games played (194) and at bats (678). He continues to remain in the top five in those categories and also appears on the all-time list in runs scored (135) and triples (12). Additionally, Schifano still holds the single season record for most chances without an error (103).

### JON HEUERMAN

Volunteer Assistant  
2nd Year  
San Jose State

Jon Heuerman enters his second year as a volunteer assistant coach on the UC Davis baseball staff. He will work primarily with the Aggie outfielders and will serve as first base coach during the week.

Heuerman, a 1999 graduate of Rocklin High School, starred for two years for nearby Sierra College. He earned all-conference honors twice, including California JC All-America merit in 2002. Heuerman later played one year at San Jose State.

UC Davis represents his second coaching stint, as he served as freshman head coach for Rocklin High in 2006. He is currently finishing his history degree at Sacramento State.

# THIS IS UC DAVIS

## ACADEMICS

UC Davis comprises three colleges (Agricultural & Environmental Sciences, Engineering, Letters & Science), five professional schools (Education, Law, Management, Medicine, Veterinary Medicine) plus the Division of Biological Sciences.

With 103 undergraduate majors and 80 graduate programs, the university offers the most expansive and diverse range of academics among any of the University of California campuses. Additionally, students also have the opportunity to combine majors or customize their field of study by creating an individual major.

For those interested in graduate degrees – whether it be a master's degree or a doctorate – UC Davis offers advising services to help students craft their education toward those goals. An estimated 86 percent of UC Davis students applying to graduate schools earn acceptance to either their first or second choices.

## RANKINGS

UC Davis ranks 14th among public universities, according to *U.S. News & World Report*, and 16th by the National Research Council. Furthermore, the National Science Foundation places the university 12th in the nation in research funding, and *Money* magazine considered UC Davis as one of the West's top "best buys".

Additionally, the Gourman Report rated the genetics department at No. 1, while *U.S. News & World Report* ranked the College of Engineering as No. 13 among its peers.

## COMMUNITY

With a population of approximately 60 thousand, Davis is widely known for being a safe, active and socially innovative community.

The downtown area boasts a multitude of specialty shops, restaurants, theaters and art galleries; while the city's numerous parks offer recreational opportunities for active students.

## ACTIVITIES

On campus, UC Davis students can rally around the highly successful athletics department by joining the Aggie Pack spirit organization, or enjoy a first-class performance at the Robert & Magrit Mondavi Center for the Performing Arts.

The university also offers hundreds of student clubs and organizations, including cultural clubs, fraternities and sororities, faith-based organizations and the Associated Students of UC Davis student government.

For the active Aggie, students may participate in the diverse intramural sports program or join one of the 30-plus sports clubs. In 2004, the Activities & Recreation Center (ARC) opened its doors, providing the campus with its own state-of-the-art fitness venue.

In April, UC Davis hosts Picnic Day, an annual student-run open house. The popular event showcases all that the campus has to offer, attracting students, staff, faculty, parents, alumni and members of the surrounding communities.

## GETTING AROUND

Nestled just southwest of Sacramento, the city of Davis rests just 15 minutes from an international airport, and contains a downtown station serviced by Greyhound and Amtrak. Centrally located in the Sacramento Valley, the town sits equally close to both the finest ski resorts and the Pacific Ocean's top beaches.

Within Davis and its neighboring towns, both Yolo-bus and the student-operated Unitrans bus systems offer free transportation to registered undergraduates.

The town boasts more bicycles per capita than any other city in the nation. More than 50 miles of bike paths make the entire town conducive to both riders and pedestrians.

## LARRY VANDERHOEF

Larry N. Vanderhoef was appointed chancellor of the University of California, Davis, in April 1994. He joined the campus in 1984 as executive vice chancellor and provost.

During his 10-plus years as chancellor, the campus was invited to membership in the AAU; increased its extramural awards from \$169.1 million to \$420.7 million annually, earning a National Science Foundation (NSF) research funding ranking of 14th in the U.S.; expanded classroom, lab, clinical and office space by 2 million square feet, with 1 million more to be built over the next five years; completed the transformation of an ailing county hospital to an academically distinguished and financially sound regional medical center; and made distinctive strides in recruiting a diverse and accomplished faculty and student body.

Chancellor Vanderhoef was recently honored by the *Sacramento Business Journal* as one of the 20 people who have contributed most substantially to California's capital region over the past 20 years and by the Sacramento Metropolitan Chamber of Commerce as Sacramentan of the Year.

In 2004 he led a UC Davis delegation to Iran in an effort

to promote dialogue and scholar exchange, and to promote generally the notion of crossing boundaries to build greater understanding and good will - a continuing personal and professional effort.

His research interests lie in the general area of plant growth and development, and in the evolution of the land-grant universities. He has taught classes from freshman level to advanced graduate study.

Chancellor Vanderhoef has served on various national commissions addressing graduate and international education, the role of a modern land-grant university and accrediting issues.

He holds B.S. and M.S. degrees in biology from the University of Wisconsin, Milwaukee, and a Ph.D. in plant biochemistry from Purdue University. Previously, he held faculty positions at the University of Illinois, where he also served as a department head, and at the University of Maryland, College Park, where he was appointed provost. He was awarded honorary doctoral degrees by Purdue University and by Inje University in Korea.

## FRED WOOD

Fred Wood assumed the role of Vice Chancellor for Student Affairs on August 1, 2007. Dr. Wood oversees programs and services that enhance the academic and personal development of students, including intercollegiate athletics. He also provides administrative leadership to a Division of over 50 student support programs and to a team of over 800 staff members. In addition, he manages a budget of over 30 million dollars. He advises the Chancellor on matters relating to students, enrollment, access, retention, and campus climate.

Wood earned his bachelor's and Ph.D. from UC Davis in Chemistry in 1980 and 1984. Soon after graduating, he began his faculty appointment in Chemistry and also served the College of Letters and Science as the Associate Dean, a position he held for 13 years. Most recently he served as the Associate Vice Provost of Undergraduate Studies and Interim Vice Provost of Undergraduate Studies. He is a 2003 graduate of the Harvard University Executive Leadership and Management Institute, and also a graduate of the University of California Management Institute.

Dr. Wood is a member of several professional organizations including American College Personnel Association, National Association of Student Personnel Administrators, and the National Association of College and University Busi-

### Vice Chancellor for Student Affairs

ness Officers. He also serves on the Council of Deans and Vice Chancellors at UC Davis, as well as over twenty different committees and councils on and off campus.

Several priorities he is focusing on in Student Affairs include building bridges within Student Affairs and with academic affairs; increasing the diversity of our student population by reaching out to students who are disadvantaged and underrepresented; recruitment and admissions; increasing the number of students transferring to UC Davis from community colleges and helping with their transition; develop an inclusive community for all of our students; work to help new students effectively navigate the university; improve retention and graduation; improve accountability and transparency; improve student health; increase fundraising efforts to help support our units and their needs; maintaining affordability for students to attend college; and keeping up with the latest technology to provide our staff, faculty and students with the most up to date and accurate information.

Dr. Wood continues to teach undergraduate students while serving in his administrative role and maintaining a focus on continually improving the services available to undergraduate and graduate students.

## GREG WARZECKA

**Director of Athletics**

On August 1, 1995, Greg Warzecka became the 11th director of athletics at UC Davis. In the decade-plus since, the Aggie athletics program has enjoyed unprecedented success under his guidance.

Warzecka's penchant for progress began from his first year as director when he was charged with the task of fully engaging the campus in discussions regarding whether or not UC Davis would offer athletics-related financial aid. One year later, the campus announced the launch of its first-ever grant-in-aid program.

Warzecka has also overseen UC Davis' transition into two conferences in his short tenure. In 1998, the Aggies moved from the now-defunct Northern California Athletic Conference to the powerful California Collegiate Athletic Association.

Then in 2003, the UC Davis program announced that it would join the Big West Conference and thus reclassify from NCAA Division II to Division I status. Under Warzecka's guidance, the Aggie athletics program increased its grant-in-aid allocation nearly tenfold to approximately \$5 million. During this period, he also engineered a substantial upgrade in athletics facilities, most notably the Schaal Aquatics Center (2004), the Marya Welch Tennis Center (2005) and the multi-use Aggie Stadium (2007).

During Warzecka's tenure, UC Davis captured six NACDA Division II Directors' Cups as the most outstanding overall program in the country. For his part, NACDA selected Warzecka as its A.D. of the year for the D-II West Region in 2001-02.

Furthermore, the editors of *Sports Illustrated* magazine lauded the Aggie program on three different occasions. In 1999 and 2000, *Sports Illustrated For Women* named UC Davis as the top Division II school for women athletics. One year later, *SI* selected UC Davis as its top D-II school for the 2001-02 year.

Before turning to administration, Warzecka had been a successful baseball coach, first as an assistant at his alma mater, UC Berkeley. He then served as head coach at San Francisco State, then at the University of Chicago, where he also served his first post as men's athletics director. Warzecka returned to California in 1989 to become the A.D. at the University of Redlands, where he remained until he joined the Aggie athletics staff.

He earned his Bachelor of Arts degree in physical education from Cal in 1975 and his Master of Science with an emphasis in athletic administration from Cal State Hayward in 1983.

## NONA RICHARDSON

**Senior Associate Director of Athletics/Senior Woman Administrator**

Nona Richardson was named Senior Associate Athletics Director at UC Davis in March 2007. She brings extensive experience to her role at UC Davis which includes overseeing compliance, student services and sports medicine programs, as well as sport supervision.

Richardson has experienced intercollegiate athletics from a variety of roles, most recently during her tenure at Ball State, where she served as the senior woman administrator. There she oversaw daily operations for sports medicine, and strength and conditioning while also supervising seven sports, including women's basketball and women's volleyball. Her contributions at Ball State also included student-athlete services, community outreach programming, career development education, student-athlete awards, and other related areas while also serving as a Title IX and gender equity resource.

Prior to Ball State, Richardson was Associate Director of Athletics and SWA at Valparaiso University for seven years, where she served in similar capacities while also serving as Compliance Coordinator for the 18-sport athletics program. Her duties also involved student-athlete eligibility, event management and other key administrative responsibilities.

Richardson has served on numerous committees throughout her distinguished career, including the NCAA

Division I Volleyball Committee (2000-02) and Volleyball Officials Sub-Committee (2001-02). She has also been a member of committees for the Mid-Continent Conference and the National Association of Collegiate Women Athletics Administrators (NACWAA), the latter for which she also served as a board member.

Richardson has presented at several national conferences, is a member of NACWAA and the National Association of Girls and Women in Sports, and has won several awards including NACWAA's Dr. Nell Jackson Award (2000).

Her athletics administrative tenure was preceded by a volleyball coaching career that was highlighted by head coaching positions at Eastern Michigan (1987-95) and Valparaiso (1996-99) and an assistant coaching assignment at Kentucky (1984-87). Richardson was also an assistant coach at the U.S. Olympic Sports Festival in 1991.

Richardson was a standout volleyball player at Michigan State (1978-81) where she was a team co-captain, MVP and a member of the Association for Intercollegiate Athletics for Women (IAIW) All-State team.

She received her Bachelor of Science degree in Physical Education from Michigan State in 1983 and her Master of Arts and Liberal Studies in Human Behavior and Society from Valparaiso University in 1999.

# HOME OF THE AGGIES

The palatial Activities & Recreation Center (ARC) offers a wide array of fitness areas, including full-size basketball courts, a multi-use activity center for indoor soccer or hockey, a running/jogging track, weight rooms, aerobics facilities, squash and racquetball courts, and a rock-climbing wall. Additional amenities include a wellness center, student lounges and opportunities for conferences and special events.

ACTIVITIES &  
RECREATION CENTER

THE PAVILION

The Pavilion, formerly known as Recreation Hall, serves as home court for UC Davis basketball, volleyball, wrestling and gymnastics, as well as concerts and special events. With a seating capacity of nearly 8,000, the Pavilion ranks as one of the largest on-campus arenas in Northern California.

HICKEY GYMNASTICS  
CENTER

The former Lower Hickey Gym, the first home of women's athletics in the post-Title IX era, was converted to a first-class practice facility for the Aggie gymnastics team in 2005.

LA RUE FIELD

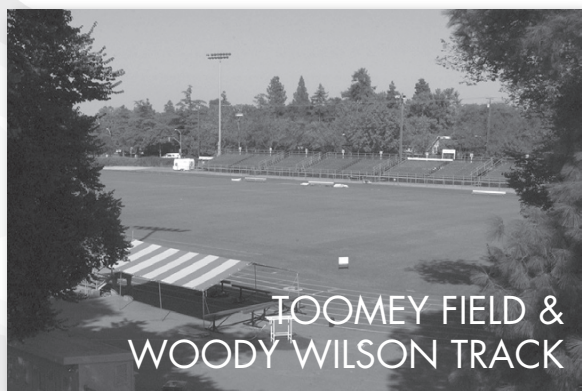

Recognized in 1999 as "Softball Field of the Year" by the Sports Turf Managers Association, La Rue Field hosted five NCAA West Region Softball Championships in the past decade. Recent additions include batting cages, covered dugouts and improved press areas.

In January of 2004, the Ted & Rand Schaal Aquatics Center hosted its first event. The complex features an Olympic-sized pool, locker rooms, team rooms, office space and permanent seating for approximately 500 spectators. The aquatics center will allow UC Davis to host championship events, including the 2006 NCAA Women's Water Polo Championships.

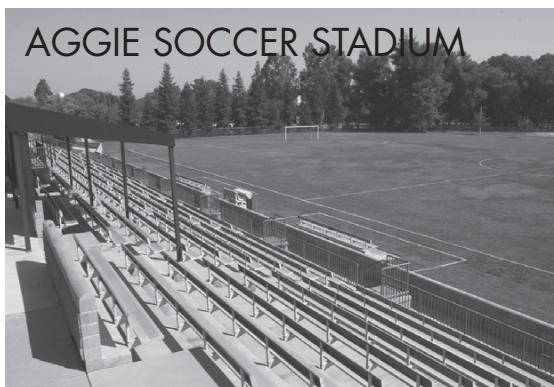

SCHAAL AQUATICS CENTER

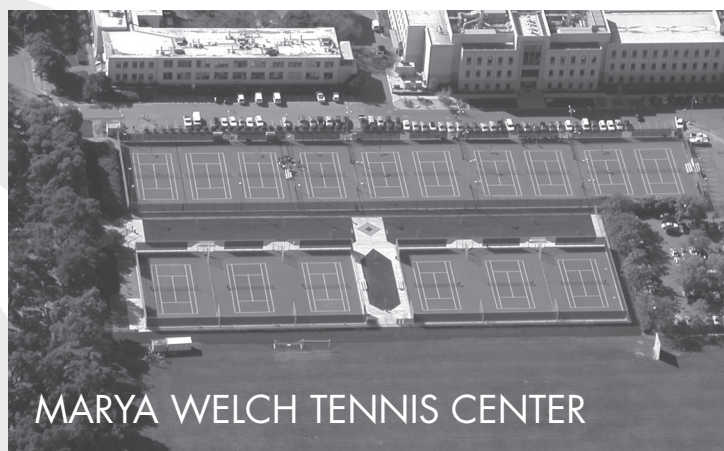

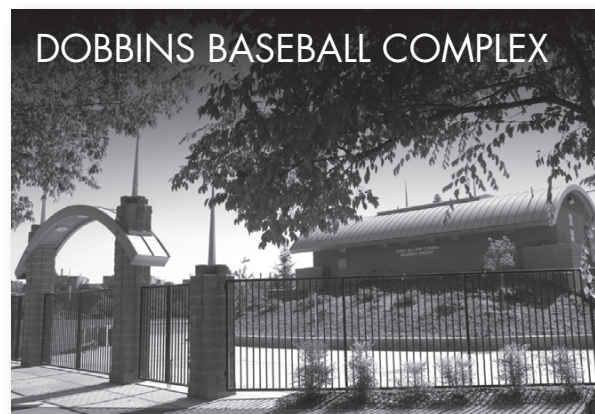

Built in the late 1940s, Toomey Field has hosted numerous championship events for football, track & field and lacrosse. During the 2000 Olympic Trials, standouts Marion Jones and Michael Johnson used the Woody Wilson Track as a practice facility.

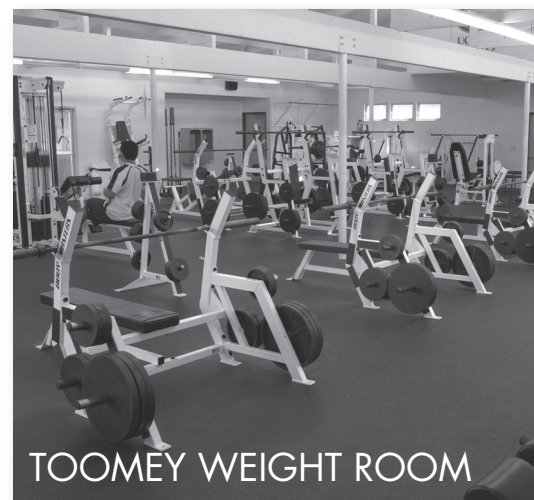

Dobbins boasts one of the finest playing services in Northern California. In 2002, the stadium was enhanced to include a press box, a renovated entrance and permanent concession/restroom facilities.

Both Aggie Stadium (left), the home of soccer, and the James & Ann Dobbins Baseball Complex (below) were the result of volunteer efforts dating back to the mid-1980s.

Dedicated in April 2005, the Marya Welch Tennis Center represents an expansion of the former Hickey Tennis Courts. Recent additions include grandstands and canopied benches for the north courts.

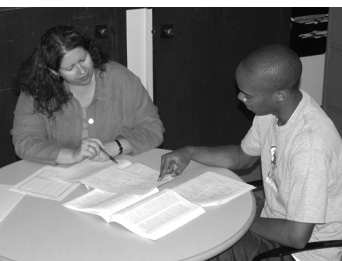

UC Davis student-athletes welcomed the expanded weight room, located inside Toomey Field. In addition to nearly tripling in size the previous facility, the upgrade also included all new equipment, restrooms and office space.

The newest and perhaps the most eagerly awaited of UC Davis athletics venues, Aggie Stadium serves as the home facility for the football and women's lacrosse teams. The multi-use stadium features an all-weather Sportex playing surface, a first-class press box, full locker rooms, restrooms and concessions. The initial design has seating for 11,000 to 15,000 spectators, with an eventual build-out to as many as 30,000.

## STUDENT-ATHLETE ACADEMIC SERVICES

204/208 Hickey Gym • (530) 752-3259

UC Davis ranks among the leaders in NCAA Postgraduate Scholarship Awards and Academic All-District/America honorees, and has claimed a record three winners of the NCAA Woman of the Year Award. Student-Athlete Academic Services deserves much of the credit for these accomplishments.

The office started in 1988 with a single staff member serving as a centralized resource for academic advising, eligibility information and campus referrals. The office has since expanded to include additional academic advisors, an athletic aid coordinator, an assistant eligibility coordinator and an administrative assistant. It is headed by Nona Richardson, senior associate director of athletics.

The Student-Athlete Academic Services office provides a range of services to student-athletes on all 26 intercollegiate athletics teams, including assistance with course and major selection as well as interpretation and clarification of eligibility rules and issues.

UC Davis student-athletes typically have a minimum of three academic advisors: an athletic academic advisor assigned by sport, a college advisor, and a major advisor (if the student has a declared major). Although appointments with the athletic academic advisors are not mandatory at UC Davis, student-athletes might choose to see their athletic academic advisor for issues including:

- General education (GE) requirements
- Dropping/adding courses
- Time management/study skills
- Assistance completing the mandatory Academic Plan Form
- Study hall for student-athletes
- Personal issues that affect academic performance
- Choosing a major/career
- Declaring or changing a major
- Exploration of opportunities beyond athletics
- Preparation for graduate programs
- Preparation and application for NCAA Postgraduate Scholarships and other national awards

## ATHLETIC TRAINING / SPORTS MEDICINE

Dick Lewis Training Room (115 Hickey Gym) • (530) 752-0647

The Pavilion Training Room • (530) 752-7515

Known collectively as “The Healer of Champions”, the UC Davis athletic training staff comprises five full-time certified athletic trainers, a full-time physical therapist/certified athletic trainer and approximately 24 student athletic trainers. Together, they are responsible for providing medical care to the 800-plus student-athletes that compose UC Davis’ 26 varsity teams.

The student athletic trainers serve two to three years with the program, logging in more than 1,500

hours and gaining valuable clinical education in a hands-on environment. The internship is ideal for any student interested in a graduate program in athletic training, as well as any medical or allied medical profession.

The ARC Pavilion training room contains extensive resources and equipment for the rehabilitation of injured athletes. The staff physical therapist is headquartered there as well.

With the light at the end of the tunnel shining brighter than ever, anticipation joined with excitement in 2006-07 as UC Davis completed the final year of a four-year reclassification to NCAA Division I status from Division II. As the campus awaits final approval from the NCAA declaring UC Davis an active member of Division I, student-athletes, coaches, alumni and fans eagerly anticipate the Aggies' future in the Big West Conference. Derek Moore provided one of the biggest highlights in school history when he won the 141-pound weight class at the NCAA Division I Championships in March, becoming the Aggies' first-ever Division I national champion and All-American. The Aggies' football team maintained its tradition of excellence by securing its 37th straight winning season and the men's cross country squad won the Division I Independents Championship. Lacrosse hosted the Mountain Pacific Sports Federation Championships while track and field did the same for the Division I Independents. And throughout the year, Aggie student-athletes matched well against their future competition in the Big West, sending word they are to be contended with beginning in 2007-08, their first year in the new league and the beginning of a new era for UC Davis.

Alumni and friends are encouraged to join the team as we make our move. TeamAGGIE is the annual fund for UC Davis Athletics. To join TeamAGGIE contact Sharon Lynch at [selynch@ucdavis.edu](mailto:selynch@ucdavis.edu) or call (530) 757-3146.
